

## Activity: creating an influential life

Consider three strategies that you could undertake right now to create a more influential life. Record these strategies in the table below.

Influence Strategy	How I will use this in my life right now
Describe the influence situation	
What is the other party's perspective on this situation (their view)?	
How will you acknowledge their perspective when preparing your for your dialogue or presentation?	
What are the other party's interests in this situation?	
How will you speak to these interests in preparing your dialogue or presentation?
